Lives in La Veta, but owns property in Majors Ranch.  
Does not want the line on or near his property.  
Suggests the line be routed north of Hwy 69 as it less intrusive for homeowners because there are fewer residences and the lots are smaller (50-150 acres).

**I-238-001****I-238-001: Route Refinement > SLV-Calumet (In Review)**

Your email/letter/comment form has been received and your comment noted. Route refinement for the proposed project and mitigation measures will be addressed in the Environmental Impact Statement. The Environmental Impact Statement is anticipated to be completed in late 2010 and will be available at <http://www.usda.gov/rus/water/ees/ea.htm>.
